Strengthening California's Charter Schools at a Local and State Level

A Public Forum to Inform Orange County Families, trustees, and lawmakers
September 20, 2022

Purpose:

The trustees of the county office of education in Orange County voted in favor of holding a special forum for our Orange County community with dedicated time to determine best practices and means to strengthen charter schools in Orange County and the state of California.

As such, the purpose of holding this special forum is to invite experts to provide testimony, evidence-based scientific data, and related legal, pragmatic and legislative information to strengthen public charter schools. In addition, the purpose of this forum to accomplish the following:

- Educate Parents and Community members about public charter schools.
- Educate Parents and Community members about their parental choices in regards to student participation
- Demonstrate how charter schools empower parents with educational choice and directing the upbringing of their children.
- Provide Orange County school districts with information on public charter schools
- Provide and describe past and future legislative efforts that impact charter schools.

GOALS

- The purpose of this forum is focused on the goal of *"how to best to serve"* the educational needs of our K12 students.
- Topics and discussion shall be supported in a scholarly, objective manner relying on empirical research, findings, and evidence as related to the proposed lesson plans.
