MEMO

ORANGE COUNTY DEPARTMENT OF EDUCATION

September 24, 2024

To: Members, Orange County Board of Education
From: Orange County Department of Education Charter Schools Unit
Re: Staff Recommendations and Findings – Orange Springs Charter School

INTRODUCTION

The following is a summary of the review conducted by Orange County Department of Education staff of the countywide charter school petition submitted by Citrus Springs Charter School, Inc., proposing to establish Orange Springs Charter School as a countywide charter school, and recommendations for consideration by the Orange County Board of Education (the Board).

The Board must take action to either grant or deny the charter within ninety (90) days of receipt of the petition unless this date is extended by up to an additional 30 days if all parties agree to the extension. Board action is scheduled for the Board’s regular meeting on October 9, 2024.

Based on information gathered throughout the review process, which included a clarification meeting held with petitioners on September 5, 2024, Orange County Department of Education staff recommend approval of the Orange Springs Charter School countywide charter petition.

I. BACKGROUND

On July 11, 2024, the Board received a petition proposing to establish Orange Springs Charter School as a countywide charter school. Orange Springs Charter School would be operated by Citrus Springs Charter School, Inc., a California nonprofit public benefit corporation operating one charter school in Orange County. The school proposes to serve students in transitional kindergarten through grade twelve beginning in the 2025-26 academic year. Orange Springs Charter School notified six school districts of intent to open facilities: Anaheim Elementary, Anaheim Union High School, Buena Park, La Habra City, Saddleback Valley Unified, and Santa Ana Unified.

On September 4, 2024, the Board held a public hearing on the provisions of the charter petition to consider the level of support for the petition by teachers, parents or guardians, and the school districts where the petitioner proposes to open school facilities.

II. LEGAL STANDARD

The overall statutory scheme of the Charter Schools Act reflects a preference for charter schools that are locally authorized by the school district in which the charter school operates. As a result, to approve a countywide charter petition, a county board of education must be able to make specific threshold findings in addition to determining whether the petition satisfies the legal standards and criteria under Education Code section 47605.6(b)(1)-(5). Specifically:

“A county board of education may approve a countywide charter only if it finds, in addition to the other requirements of this section, that the educational services to be provided by the charter school will offer services to a pupil population that will benefit from those services and that cannot be served as well by a charter school that operates in only one school district in the county.” Education Code §47605.6(a)(1)

Additionally, Education Code section 47605.6(b) states:

“A county board may grant a charter for the operation of a charter school under this part only if it is satisfied that granting the charter is consistent with sound educational practice and that the charter school has reasonable justification for why it could not be established by petition to a school district pursuant to Education Code section 47605.”

Should the charter school petition meet the threshold requirement for a countywide charter school, the Board must then determine whether the petition satisfies the legal standards and criteria under Education Code section 47605.6(b)(1)-(5). The Board shall deny a petition for the establishment of a charter school if it finds one or more of the following:

- (1) The charter school presents an unsound educational program for the pupils to be enrolled in the charter school.
- (2) The petitioners are demonstrably unlikely to successfully implement the program set forth in the petition.
- (3) The petition does not contain the number of signatures required by subdivision (a).
- (4) The petition does not contain an affirmation of each of the conditions described in subdivision (e).
- (5) The petition does not contain reasonably comprehensive descriptions of the required elements under Education Code section 47605.6.
- (6) The petition does not contain a declaration of whether or not the charter school shall be deemed the exclusive public school employer of the employees of the charter school for

purposes of the Educational Employment Relations Act Chapter 10.7 (commencing with Section 3540) of Division 4 of Title 1 of the Government Code.

(7) Any other basis that the county board of education finds justifies the denial of the petition.

Should the Board approve the petition, the Board would become the authorizer for the charter school. Should the Board deny the petition, there is no right to appeal to the State Board of Education (5 CCR § 11966.5). However, the petitioners would have the option to submit charter petitions to the school districts in which they propose to operate under Education Code section 47605.

III. SUMMARY OF FINDINGS

The Orange Springs Charter School charter petition and all related information received concerning the charter petition were reviewed and considered, including information presented at the public hearing. The Orange Springs Charter School charter petition meets the standards outlined in Education Code 47605.6. The educational program to be provided by the charter school will offer services to a pupil population that will benefit from those services and cannot be served as well by the charter school that operates in only one school district in the county.

IV. STAFF RECOMMENDATION

Orange County Department of Education staff recommend that the Board approve the Citrus Springs Charter School, Inc. petition to establish Orange Springs Charter School as a countywide charter school for a term of five years from July 1, 2025, to June 30, 2030, and approve the standard Agreement that delineates the operational relationship between the parties with the understanding that charter school will enter into said Agreement by March 2025.

V. CONCLUSION

The Board has three options for action regarding a countywide charter school petition:

- Option One: Approve the charter petition.
- Option Two: Approve the charter petition with conditions. This action would result in the approval of the charter petition and require the execution of an Agreement to address concerns raised by the Board and establish appropriate timelines for the petitioners to meet the conditions as specified.
- Option Three: Deny the charter petition.

own expense and risk, shall defend all legal proceedings which may be brought against it and/or the Board, the County Superintendent or OCDE, its officers and employees, and satisfy any resulting judgments up to the required Agreements that may be rendered against any of them. Charter School shall comply with bidding requirements tied to receipt of any state, federal or grant funds that require compliance with bidding that is more stringent or purchasing requirements. Additionally, records and information regarding implementation of the contract will be provided to OCDE in accordance with Education Code section 47604.3.

Charter School shall ensure the following for any C/EMO contract:

2. A pre-opening site visit shall be conducted by OCDE prior to the opening of Charter School. Once open, Charter School must request a material revision to the charter petition in order to change facilities. Following an approved revision to the charter, OCDE will conduct, without unreasonable delay, a site visit of a new or changed Charter School facility prior to students attending the new facilities. Under extraordinary circumstances (e.g., a change of facilities necessitated by fire, natural disaster or inhabitability), the Parties may waive the pre-opening site visit.

K. Zoning and Occupancy

1. Charter School shall provide OCDE with a Certificate of Occupancy issued by the applicable permitting agency, allowing Charter School to use and occupy the site prior to opening, unless Charter School is located at a public school site provided pursuant to Proposition 39 or other facilities use agreement with a school district. In lieu of the zoning certification, Charter School can provide OCDE with evidence that zoning ordinances have been overridden by the school district in which the facility is located or by another entity authorized to override zoning ordinances pursuant to current or then applicable state law. The facility must meet all applicable health and fire code requirements, zoning laws, and Americans with Disabilities Act (ADA) requirements for a K-12 public school.

2. If Charter School moves or expands to another facility during the term of this charter, Charter School shall provide a Certificate of Occupancy to OCDE for each facility before the school is scheduled to open or operate in the facility or facilities. If Charter School ever seeks facilities from a school district in which it intends to locate (or is located) under Education Code section 47614 (Proposition 39), it will follow applicable statutes and regulations regarding submission of such a request to the school district.
3. Notwithstanding any language to the contrary in this charter, the interpretation, application and enforcement of this provision are not subject to the Dispute Resolution Process outlined in the charter. The Parties agree that should a dispute arise under this section, they will meet to attempt to resolve any concerns within ten calendar days of the dispute.

L. Dispute Resolution

The Parties acknowledge and agree that in addition to the provisions of the charter, dispute resolution procedures shall be consistent with applicable laws and regulations, including Education Code section 47607(g). The staff and governing board members of Charter School agree to resolve any claim, controversy or dispute arising out of or relating to the Charter agreement between OCDE and Charter School, except any controversy or claim that is in any way related to revocation of this Charter School, pursuant to the terms of the dispute resolution procedures in the charter.

IV. MATERIAL REVISIONS

Modifications of the approved charter must be in writing and submitted to OCDE for review and determination as to whether such amendments must be submitted to the Board as a material revision to the charter. Such amendments may only be submitted to the Board upon the approval of Charter School's board and will take effect only if approved by the Board.

V. SEVERABILITY

If any provision or any part of this Agreement is for any reason held to be invalid and/or unenforceable or contrary to public policy or statute, the remainder of this Agreement shall not be affected thereby and shall remain valid and fully enforceable.

VI. NON-ASSIGNMENT

No portion of this Agreement or the Charter petition approved by the Board may be assigned to another entity without the prior written approval of the Board.

VII. WAIVER

A waiver of any provision or term of this Agreement must be in writing and signed by both Parties. Any such waiver shall not constitute a waiver of any other provision of this Agreement. All Parties agree that neither Party to this Agreement waives any of the rights, responsibilities and privileges established by the Charter Schools Act of 1992.

VIII. NONDISCRIMINATION

The Parties recognize and agree that in addition to complying with all nondiscrimination requirements of the Charter Schools Act, including agreement that Charter School shall not charge tuition, shall be nonsectarian, and pursuant to Education Code section 200 et seq., Charter School shall be open to all students. In addition to these nondiscrimination provisions, Charter School shall not discriminate against applicants or employees on the basis of any characteristics or categories protected by state or federal law. Charter School acknowledges and agrees that it shall comply with all applicable federal and state nondiscrimination laws and regulations as they may be amended.

ORANGE COUNTY BOARD OF EDUCATION

BOARD AGENDA ITEM

DATE: October 9, 2024
TO: Renee Hendrick, Deputy Superintendent
FROM: Ken L. Williams, D.O., Board President

SUBJECT: SB 907 Press Release

RECOMMENDATION:

Board action on SB 907 Press Release.

On January 4, 2024, Orange County Senators Josh Newman (D) and David Min (D), introduced SB 907. Quite similar to SB 286, a failed measure also or introduced by Sen. Min, this bill was designed to forever change the makeup of the Orange County Board of Education (OCBE), create new multimillion-dollar taxpayer mandates, and change the OCBE election procedures.

SB 907 would've taken away local control from Orange County voters and allow the State of California to dictate local board membership and election terms. In February 2024, the OCBE unanimously passed a resolution opposing the bill ¹ and actively lobbied against SB 907 while it worked its way through the legislative process.

Despite OCBE arguments that SB 907 unnecessarily usurped local control, and was cost prohibitive it passed through both the California Senate and Assembly Elections and Education committees on strict party line votes.

The bill was enrolled on August 30, 2024 and presented to the Governor Newsom on September 4, 2024. On September 28, 2024, Governor Newsom vetoed SB 907 and returned it to the Senate without his signature. The Governor's veto message stated:

"... there are local processes for altering the number of members on a county board of education and changing when local elections are held. State circumvention of these local procedures, especially with respect to a single county board of education, should be avoided absent extraordinary circumstances. Unfortunately, I am not convinced those circumstances exist in the context of this legislation."

OCBE agrees with Governor Newsom's veto and sound fiscal public policy in a year where the state faces a \$68 million deficit. OCBE is further gratified that policy and not politics carried the day. There are no extraordinary circumstances that requires additional state funds and additional state mandates in Orange County. We applaud and thank the Governor for recognizing the importance of a bipartisan issue of local control of education. It is an important policy issue for both political parties, parents, and locally elected board trustees.

**RESOLUTION OF THE BOARD OF EDUCATION
ORANGE COUNTY CALIFORNIA**

Opposing SB 907 (Newman) Regarding Orange County Board of Education

February 7, 2024

WHEREAS, the Orange County Board of Education (OCBE) has five trustees who are elected by registered voters in unique districts every two years in the Spring like many other county boards are elected; and

WHEREAS, of the 58 counties in the state of California, 53 of them have county boards of education and 60% or 31 of these boards have five sitting trustees while only 40% or 22 have more than five; and

WHEREAS, Los Angeles County is the most populated county in California with approximately 10 million residents and their board of education is not elected at all but rather appointed by the five member Los Angeles Board of Supervisors; and

WHEREAS, of the 31 counties that have five elected trustees, included are the major county population centers of Contra Costa, Fresno, Orange, San Bernardino, San Diego, San Joaquin, Sonoma, Stanislaus, Ventura, and more... and

WHEREAS, Orange County has experienced a net reduction in population in the last two years of -34,352 representing a loss, the equivalent of more than the cities of Dana Point, Laguna Beach, Laguna Hills, Laguna Woods, La Palma, Los Alamitos, San Juan Capistrano, Seal Beach, or Villa Park; and

WHEREAS, the California Senate Appropriations Committee has found that costs in the hundreds of thousands of dollars would be incurred for the Orange County Registrar to add OCBE candidates to November election ballots resulting from adding an extra ballot card to presidential election cycle ballots to accommodate the additional contests, plus there will be significant information technology programming costs, and substantial staff time to make related changes; and

WHEREAS, the current five OCBE trustees have a direct cost budget (stipends and health benefits) for five of \$175,000 or \$35,000 each and therefore adding two more trustees would cost taxpayers at least an additional \$700,000 over the next decade at a time when local education budgets are being cut and California faces a \$68 billion budget deficit; and

WHEREAS, the OCBE has consistently supported parents' rights, school choice, and charter school development and thereby are standing up to those that seek to thwart the charter school movement in Orange County; and

WHEREAS, SB 286 in 2022 was a substantially similar bill seeking to reconfigure the election of OCBE failed passage; and

WHEREAS, the apparent objective of SB 907 is to add Charter School opponents to the OCBE and reconfigure it into a board that does not support choice in education; and

WHEREAS, ballot placement, length, and complexity are all known to have a direct impact on how and if people actually vote their ballots; and

WHEREAS, November general election ballots in California are often quite complex with large numbers of propositions, initiatives, and referenda in addition to federal, state, county, and municipal elections resulting in voter fatigue with a significant under-count for long ballots with local non-partisan office races at the end; and

WHEREAS, the OCBE has historically experienced motivated voters who are enthusiastic to vote their preferences for education leaders in the County,

THEREFORE, BE IT RESOLVED:

1. The OCBE hereby opposes SB 907, and the attempt to reconfigure the board with anti-choice activists who seek to eliminate Charter School development.
2. The OCBE does not support adding hundreds of thousands of dollars in costs taxpayers must fund to reconfigure the board, change its election process, and add additional trustees.
3. The OCBE, like 30 other counties in California, believes it has more than adequate representation of its constituents and no problems have been identified or brought forward to the OCBE that would indicate otherwise.
4. Finally, in an era where Orange County's population is decreasing, it makes no sense to expand elected government bodies for purposes of improving representation.

APPROVED AND ADOPTED this 7th day of February 2024 at a regular meeting of the Orange County Board of Education.
